International Master : Ubinet

- International Master of Science in Ubiquitous Networking and Computing

New

“This Master program is designed especially for international students and corresponds to the second year of the Master studies. Successful completion of this program leads to the award of a Master of Science degree in France. This degree will enable graduates to pursue a PhD in Europe.”

Papers Selection Process

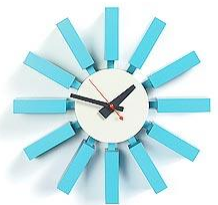

- 83 submitted regular papers :
 - 29 accepted as long papers (35%)
 - 31 accepted as short papers (37%)
 - 23 rejected (28%)
- 2 or 3 reviewers for each submitted paper
- Special Sessions managed independently by and Dr Ai-Chun Pang (SS1) and Dr Stephane Maag (SS2)

Final Programme

- 12 Session Chairs from 9 countries
- *Korea, China, Taiwan, Germany, France, Italy, UK, Brazil, Canada*
- 14 sessions : 11 regular sessions, 3 special sessions
- *About Mobility and Telecommunication, Network, Software, HCI, Applications*
- Two sessions in parallel
- *Look at the detailed Programme !*

Three Keynote Speakers

The Internet of Things Beyond the Buzz: Use Cases and Industry Trends,

Stephan Haller, Senior Researcher, SAP Research, Switzerland

Personal Networks and Federations: Creating New Capabilities for People through Personal Mobile Distributed Environments,

Prof. Ignas G. M. M. Niemegeers, Delft University of Technology, The Netherlands

From mobility to ubiquity and beyond: challenges to middleware,

Prof. Gordon Blair, Lancaster University, United Kingdom

About the Organization ...

- Ass. Prof. Stéphane Lavirotte,
Local Organizing Chair of Mobility'09

- Ass. Prof. Gaëtan Rey,
Local Organizing Chair of Mobility'09

- And by alphabetic order:
 - Jérémy Auguste, Sabine Barrère, Christophe Coroyer, Patricia Danais, Françoise Dubois, Erick Gallesio, Marie-Hélène Goguet, Lilia Jemmali, Corinne Jullien, Catherine Naniche, Thierry Nédélec, Jean-Paul Partouche, Philippe Pujol, Viviane Rosello ...
 - Christian Brel, Benjamin Caramel, Nicolas Ferry, Mélaïne Gautier, Vincent Hourdin, Cédric Joffroy, Mickael Laguerre, Gabriel Serme ...
